PROGRAMS AND SERVICES

FUNCTION, ACCOMPLISHMENTS, AND INITIATIVES:

Function:

Juvenile Detention: In 2004, the Legislature mandated that counties share in the costs for juvenile secure detention, at which point non-fiscally constrained counties became the primary revenue source for the Department of Juvenile Justice's (DJJ) juvenile detention facilities. However, beginning in FY08-09, DJJ changed to billing counties for all secure detention days except for those incurred while a juvenile awaited "commitment" to a residential facility.

In the 2016-2017 budget SB 1322 becoming law revised the method for calculating the share of detention care costs which authorizes DJJ to bill counties by multiplying the County's percentage of detention day use by fifty (50) percent of total detention care costs in the prior fiscal year. This also includes a "clawback" provision authorizing revenue sharing withholding if the Department of Revenue determines that a county has not met its obligations.
